Gwrhyd Pennant...

Gwrhyd Pennant sandstone is quarried on the hills looking out over the Black mountains into the heart of Wales. It is one of the most beautiful stones available in the UK and its natural colour variations enhance any setting.

The stone is fashioned at the quarry to your individual requirements using both traditional and modern production techniques. Each stone is produced to the highest of quality and environmental standards so you can be sure that you are using the very finest of building materials.

We are delighted to be able to present schemes and ideas using this magnificent stone which we hope will illustrate its versatility in both modern and traditional settings. Not just stunning in appearance this stone is also one of the strongest and most durable available. With over 100 years of stone reserves Gwrhyd Pennant will be available for many future generations to create inspirational places for people to enjoy.

Daw tywodfaen Pennant y Gwrhyd o chwarel ar y llethrau sy'n edrych allan dros y Mynyddoedd Du i galon Cymru. Dyma un o'r cerrig harddaf sydd ar gael yn y Deyrnas Unedig, ac mae'r amrywiadau lliw naturiol a geir ynddi yn ychwanegu at unrhyw leoliad.

Yn y chwarel, paratwir y cerrig at eich gofynion unigol, gan ddefnyddio technegau cynhyrchu traddodiadol a modern. Cynhyrchir pob carreg i'r safonau ansawdd ac amgylcheddol uchaf, felly gallwch fod yn sicr eich bod yn defnyddio deunydd adeiladu o'r radd flaenaf un.

Rydym wrth ein bodd yn gallu cyflwyno cynlluniau a syniadau sy'n defnyddio'r garreg wych hon, a gobeithiwn y byddant yn arddangos ei hamrywiol ddefnyddiau mewn lleoliadau modern a thraddodiadol. Yn ogystal ag edrych yn drawiadol dros ben, mae'r garreg hon ymhlith y cryfaf a'r gwytnaf sydd ar gael. Gan fod dros 100 mlynedd o gronfeydd o gerrig Pennant y Gwrhyd wrth gefn, bydd ar gael i lawer o genedlaethau'r dyfodol greu mannau ysbrydoledig i bobl eu mwynhau.

Strong

As one of the very strongest sandstones in the world Gwrhyd Pennant can easily carry the weight of modern living as both walling and paving.

Cryf

Cerrig Pennant y Gwrhyd yw rhai o dywodfeini cryfaf y byd, a gellir eu defnyddio ar gyfer waliau a phalmentydd, gan eu bod yn cario pwysau bywyd modern yn rhwydd

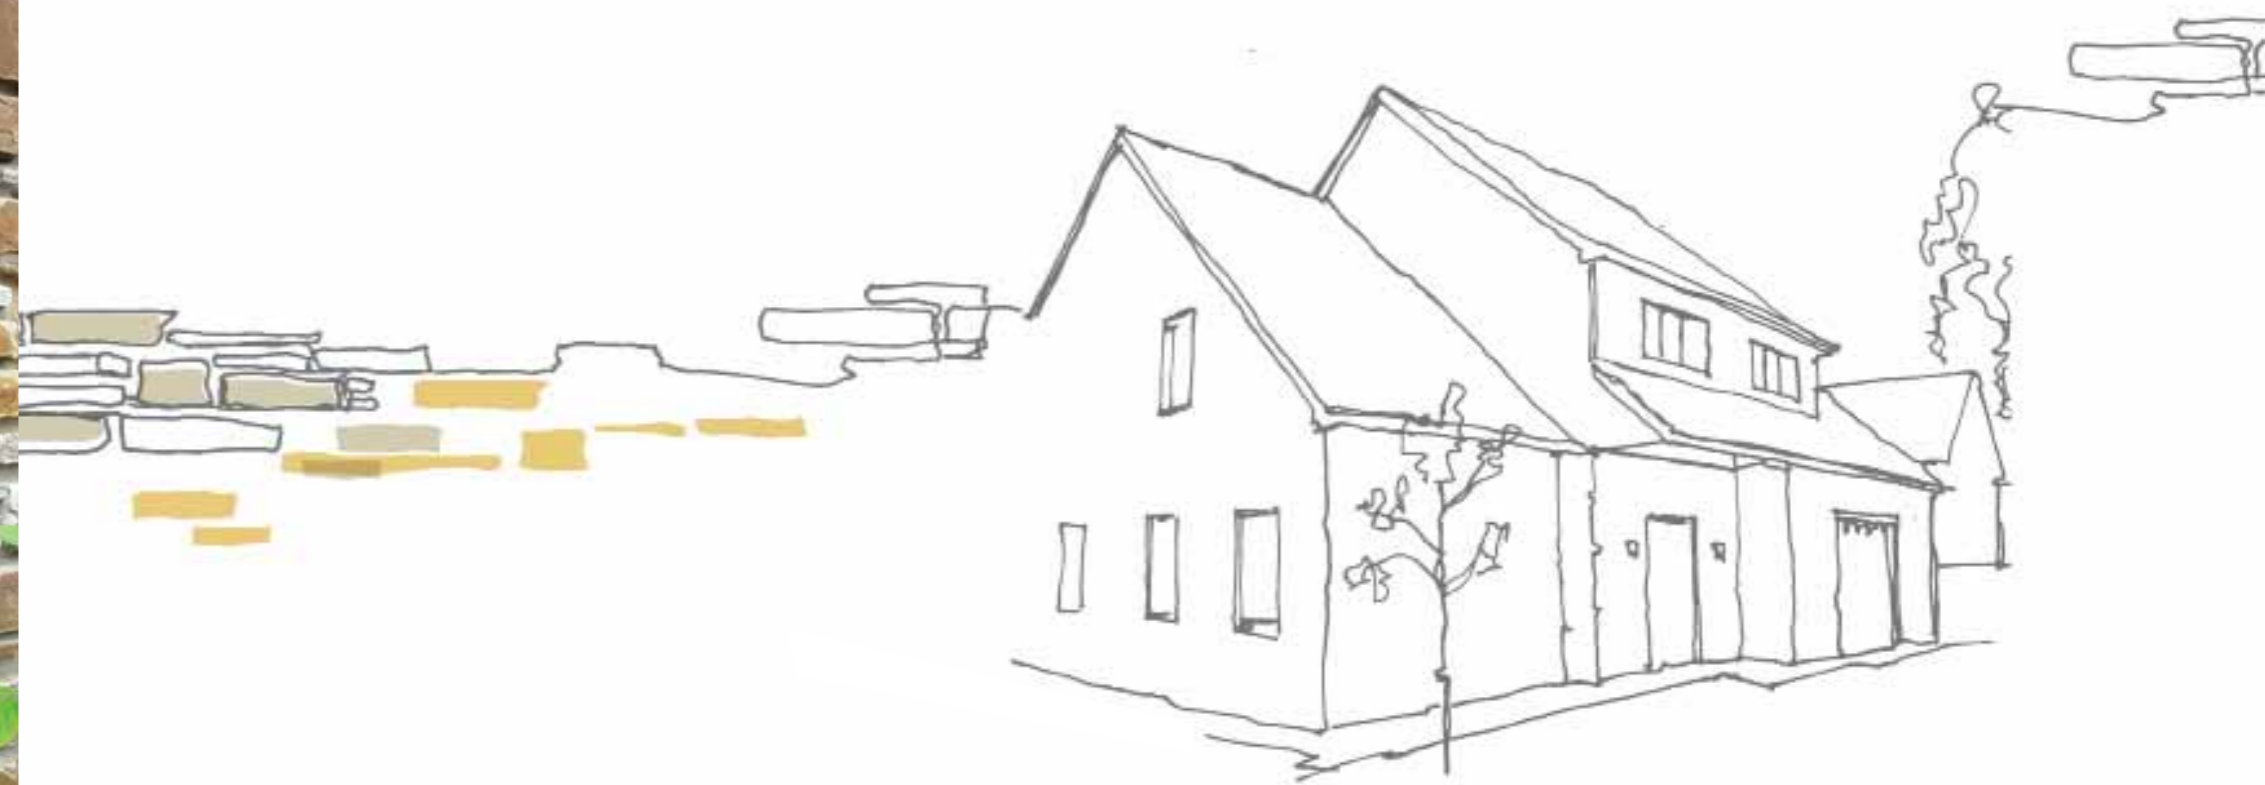

Beautiful

With colours ranging from hues of blue through to the vibrancy of ochre's and browns this stone has no equal in terms of its appearance.

Hardd

Gyda lliwiau'n amrywio o arlliw las i gyfoeth ocr a brown, mae'r garreg hon yn ddihafal i edrych arni

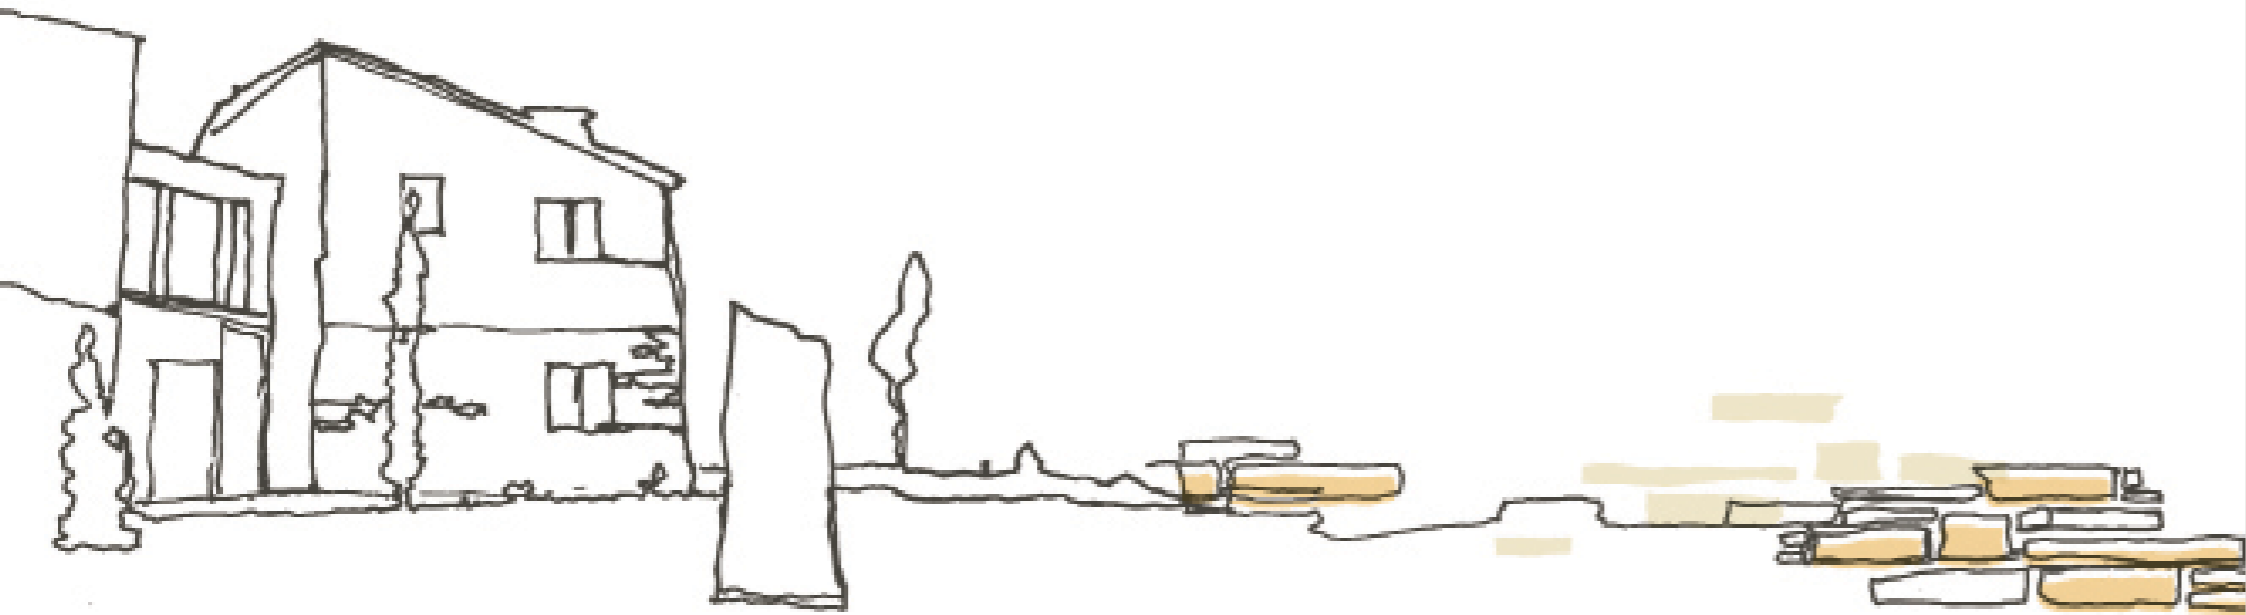

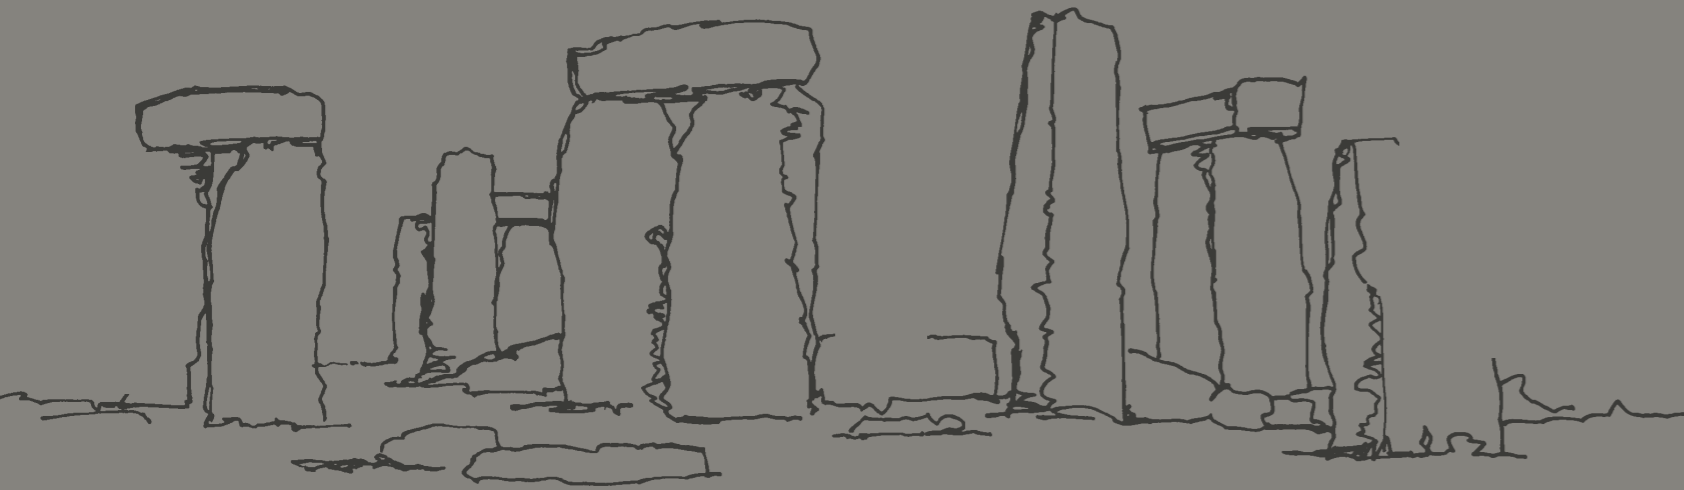

Unique

This versatile stone can not only be fashioned into both walling and walling features but also into paving, setts and copings and our craftsmen would be delighted to fashion it to make a unique feature just for you

Unigryw

Gall y cerrig amldefnydd hyn gael eu defnyddio nid ar gyfer waliau a nodweddion waliau yn unig, ond hefyd ar gyfer palmentydd, setiau a cherrig copa, a byddai ein crefftwyr wrth eu bodd yn eu defnyddio i greu nodwedd unigryw yn arbennig i chi

Durable

Pennant sandstone has been used by man since he fashioned the most primitive of tools. At over 10,000 years old the outer standing stones at Stonehenge are testament to the durability of this great sandstone

Naturiol

Mae Cerrig Pennant y Gwrhyd, sy'n ddeunydd naturiol, yn cydweddu'n berffaith ag unrhyw leoliad, gan greu effaith ddymunol a chydawns

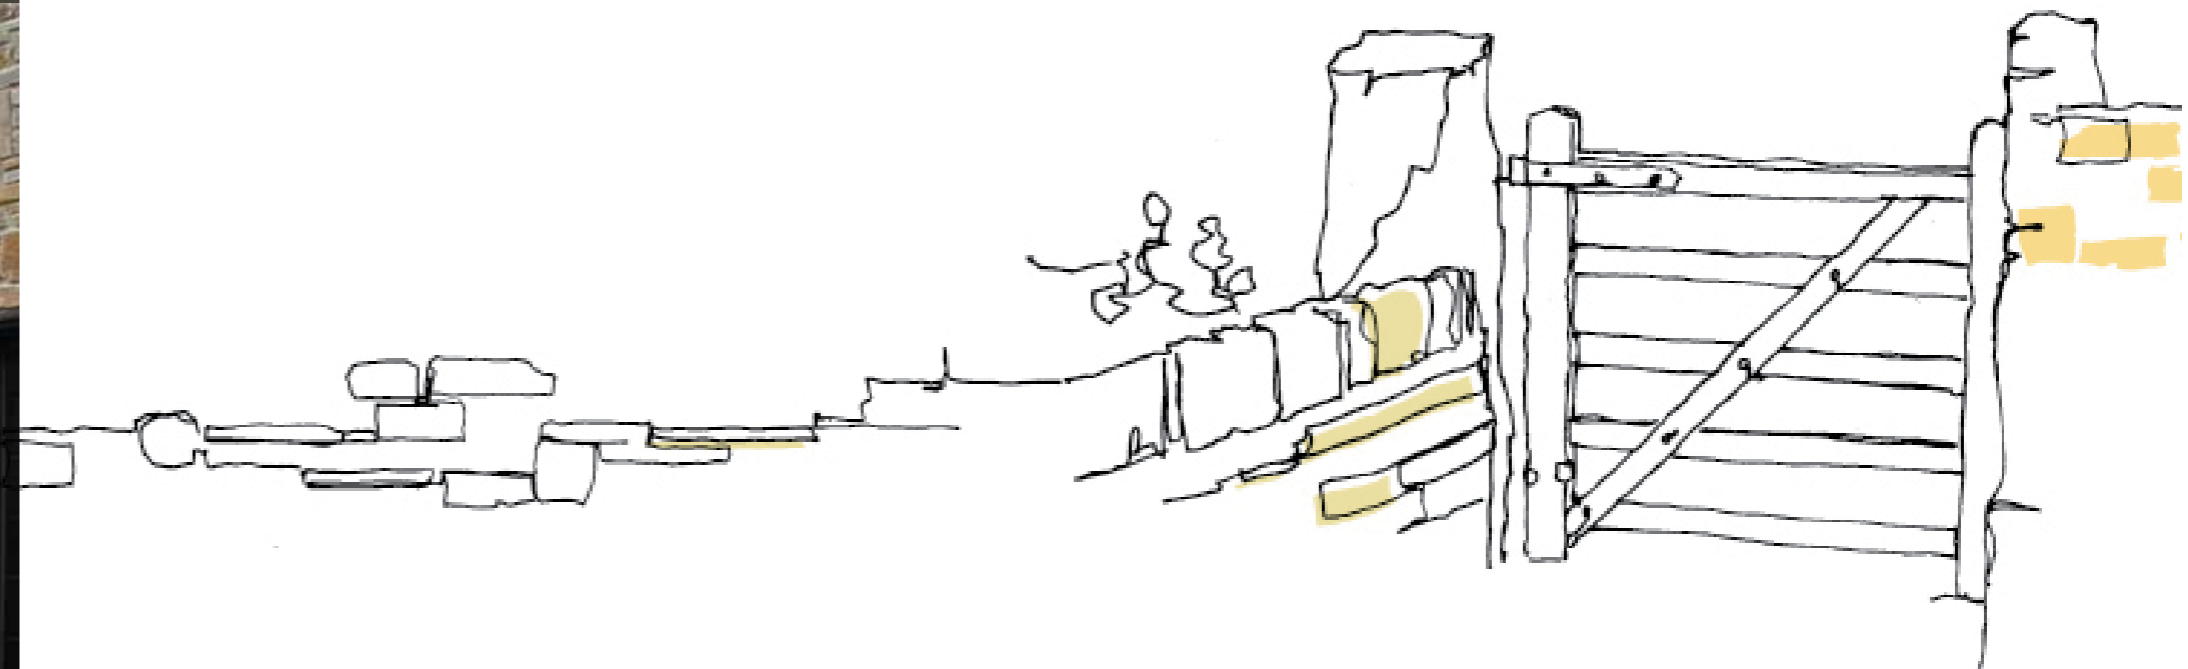

Traditional

Stone is the most traditional of building and paving materials and using it gives a feeling of not only strength, durability but also quality, luxury and excellence.

Traddodiadol

Cerrig yw'r defnyddiau mwyaf traddodiadol ar gyfer palmentydd a gwaith adeiladu, ac mae eu defnyddio yn creu ymdeimlad nid yn unig o gryfder a gwytnwch, ond hefyd o ansawdd, moethusrwydd a rhagoriaeth

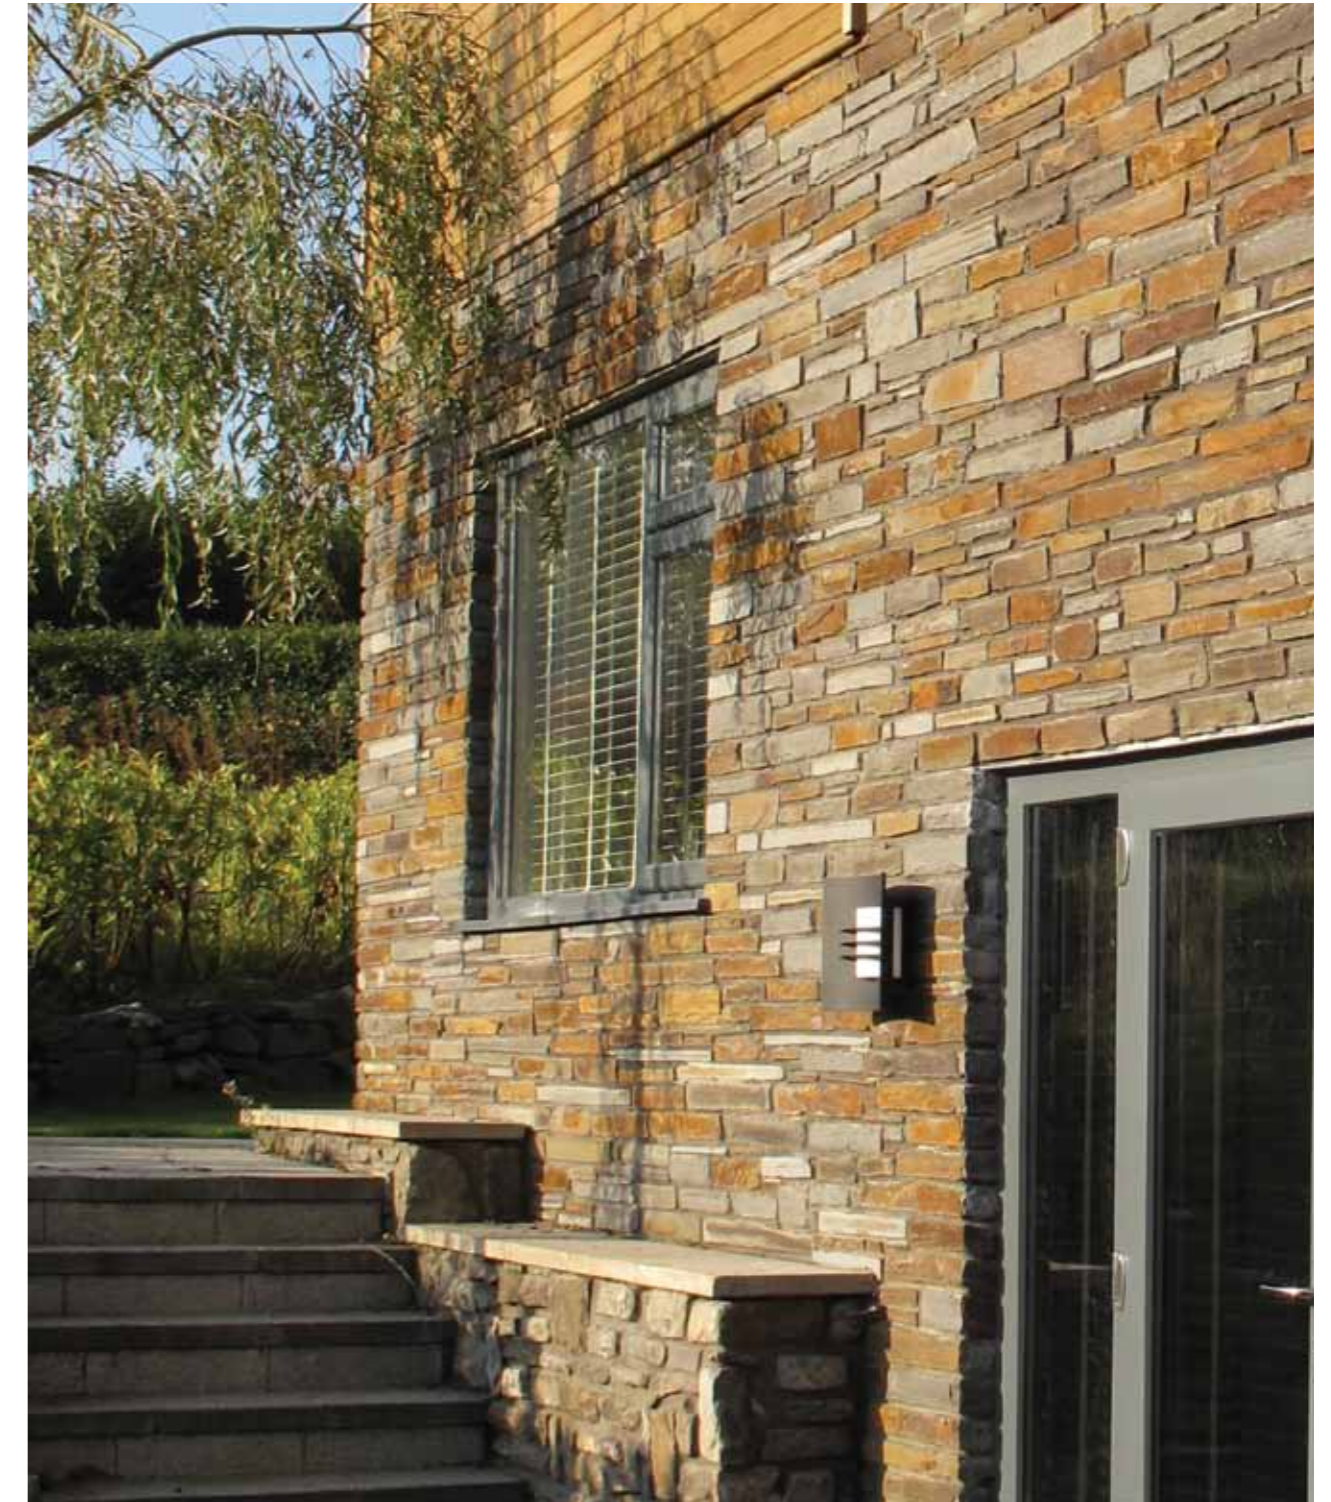

Natural

As a natural material Gwrhyd Pennant blends effortlessly into any setting giving a pleasing and harmonious feeling

Naturiol

Mae Cerrig Pennant y Gwrhyd, sy'n ddeunydd naturiol, yn cydweddu'n berffaith ag unrhyw leoliad, gan greu effaith ddymunol a chydawns
